Building Up My Bookshelf

Background: Cut 1 - 9 1/4" x 12 3/4" rectangle
Table: Cut 1 - 4" x 12 3/4" rectangle
Scraps for books, flower and flowerpot

1. Sew background pieces together. Background and table first, press then add the white piano key piece to the side.
2. Use your preferred fusible applique product to trace on applique pieces (in reverse so pieces end up facing the correct direction), loosely cut around pieces, fuse to back of fabric and cut out each piece. Place on background using image above for placement. Peel off web and use iron to fuse in place using an applique pressing sheet to keep iron clean.
3. After all applique pieces are fused, stitch around the pieces with a blanket stitch or straight stitch. When finished, trim block down to 12 1/2" x 12 1/2".
